

MÉXICO CITY TOUR REVIEWS

May 2023 TOUR

- “There were so many highlights each day and hard to pick just 1-2. The tour was well organized and glad to see so many unique places. The people/guides/hotel staff were very special and education by the two guides helped to remember the history and cultural events. The "shopping" day on the last day was very special to meet some of the artists and purchase items we could bring back home. – *Martie F.*
- “Awesome itinerary, delivered in a fun and easy (for me the guest) way by our tour leader. The licensed guides - were superb. Great visits to the pyramids, the flower market, and folk art museum - all were new to me. I loved the Mercado Sabado at San Angel.” – *Sue S.*
- “The Hotel Casa Gonzalez and the breakfasts were both amazing! And great location! I have already recommended the tour to family and friends.” – *Lisa E.*
- “I liked the largely chronological progression through Mexican history. Walking through it over a period of a few days reinforced my knowledge. I also enjoyed having opportunity to converse with tour group members at meals and in the vans; this was a new experience. –*Susanne M.*
